CONSENT FOR ACCESS TO PROPERTY

Name: Western Petroleum, INC.

Address of Property: 1521 South 1500 East
Vernal, Utah

I consent to officers, employees, and authorized representatives of the U. S. Environmental Protection Agency (EPA) entering and having continued access to my property for the following purposes:

- A. The taking of such soil, groundwater, water, and air samples as may be determined to be necessary;
- B. The sampling of any solids or liquids stored or disposed of on site;
- C. Other actions related to the investigation of surface and subsurface contamination; and,
- D. The taking of a response action including site stabilization, the removal of oil, hazardous materials, or hazardous substances, material containment, and other actions deemed necessary to protect human health and the environment.

I realize that these actions by EPA are undertaken pursuant to its response and enforcement responsibilities under the Clean Water Act, 33 U.S.C. §§ 1321 et seq. (CWA) as amended by the Oil Pollution Act of 1990, 33 U.S.C. §§ 2701 et seq.

This written permission is given by me voluntarily with the knowledge of my right to refuse and without threats or promises of any kind.

CONSENT FOR ACCESS TO PROPERTY

Western Petroleum, Inc. (Western Petroleum) consents to officers, employees, and authorized representatives of the United States Environmental Protection Agency (EPA) entering and having access to its property at 1521 South 1500 East, Vernal, Utah, as follows:

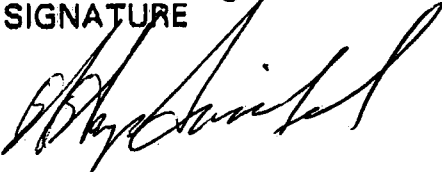

1. Prior to any access to and inspection of Western Petroleum's property, the EPA shall submit to Western Petroleum a written sampling and analysis plan detailing the proposed action and reasons therefor. Western Petroleum shall have the right to review and comment on the sampling and analysis plan.
2. Upon approval by Western Petroleum of the written sampling and analysis plan described above in paragraph 1, the EPA shall be permitted entry to conduct inspection in accordance with the written sampling and analysis plan.
3. All entry and access to the property is subject to the following conditions:
 - a. EPA agrees to provide Western Petroleum copies of all data, analysis, test results and other documents or items pertaining to EPA's activities relating to Western Petroleum's property.
 - b. EPA agrees to provide Western Petroleum with splits of any samples collected by EPA from Western Petroleum's property,

provided that sufficient quantity of sampling material is available.

c. EPA agrees to return the property to the same condition in which it existed prior to EPA inspection activities. This obligation includes, but is not limited to, the removal of any test wells after testing is completed.

4. Western Petroleum shall have the unconditional right to withdraw its consent for access and inspection of its property for any reason and at any time.
